## Senior Class History

HERE WE ARE, "sophisticated Seniors" at last and as we are almost ready to launch our small ships on the great sea of life we look back on the path we have traveled during the last four years.

We were really "green Freshmen" that day in August, 1952, when we entered the N. C. H. S. There were sixty-five of us and we must have believed the saying "safety in numbers" for we certainly stuck together. We chose as our freshman officers: President, Gary Anderson; Vice-President, Lowell McArthy; Secretary, Charles Clark; and Treasurer, Carole Harlow. We had several members in the band and were represented by Sally Blacker as cheerleader, and by Kenneth Hunt, Sonny Wardlow, and Freddie Doerner on the basketball team.

The following year as "silly Sophs", our officers were President, Lowell McArthy; Vice-President, Beverly Millspaugh; Secretary, Carole Harlow; and Treasurer, Esther Midkiff. Two of our boys were on the "A" Squad in Basketball; Gary Anderson and Sonny Wardlow. Also we had two cheerleaders, Jane DeBoard and Sally Blacker.

As "jolly Juniors" we elected as President, Sally Blacker; Vice-President, Gary Anderson; Secretary Lowell McArthy; and Treasurer, Lenore Graves. Our basketball team was really piling up the points with three members from the junior rank: Gary Anderson, Frank Sawyer, Sonny Wardlow. Our Cheerleaders were Sally Blacker and Jane Deboard.

Last fall when we began our senior year with the raising of over four thousand dollars for our trip facing us, we realized how important it was to elect reliable hardworking officers. At elections, we chose as President, Lowell McArthy; Vice-President, Pat Rodgers; Secretary, Reba Barker; and Treasurer, Donna Dixon. We are represented on the basketball team this year by Gary Anderson, Ivan Mills, and Charles Miner. Sally Blacker, Jane DeBoard, and Beverly Millspaugh cheered the boys on to victory. Juanita Awalt was elected for the DAR Award this year and James Aud won the local and district oratorical contests and competed in the sectional. We were all very proud of these two members of the class. Everyone has been very busy this year since every spare moment has been spent trying to earn the money for our trip in the spring. We have had several bake sales, operated the concession stand at all our home ball games, gleaned corn in the fall and are planning other activities for the future.

With graduation so near, we are thinking of all the fun we have had together. Perhaps there are a few things that we would change if we had the four years of our high school career to re-live for we have made many mistakes but not one of us would take anything for the experiences we have shared. Now, we turn our thoughts from the past to the future, wondering what the coming years hold for us. What ever it is, we will never forget our years at good old N. C. H. S.

MEMBERS OF THE GIRLS GLEE CLUB are selected by tryouts. Mrs. Jacquelyn Namie, the music teacher, chooses the ones best suited for the chorus. The members receive credit for their participation during the year. Their outstanding activity of the year was the presentation of the operetta, "Girls Will Be Girls", on March 6 to the public, which was very successful. They also took part in the school's Christmas Program, as well as the assembly program on April 13.

### *Madrigals*

THE MADRIGALS are a group of singers under the direction of Mr. Harold Skelton. They have been very active this year. ## Norris City High School Band

FEW ORGANIZATIONS contribute so much "pep" and school spirit as does the band; and the Norris City Township High School has one of which it need never be ashamed.

Mr. Blacker, Director

The Band season opened the year by leading the annual Norris City Dairy Day

parade in the early autumn. It has been continuously active ever since its first appearance by playing at various festivities in this region. It has accompanied all of our "home" basketball games and helped enliven the evening.

This year several of the members competed in the district and state contests. Those competing were Ronald Haddock, Sandra Thomas, Carrie Cullison, Eugenia Smith, Nancy Crouch, Joel Morehead, Larry DeJarnett, and Denzil Morehead.

## Varsity Basketball Squad

THE CARDINAL VARSITY BASKETBALL TEAM, under the skillful direction of Coach Bob Jones, had a very successful year. In fact, the team was the best to come out of the high school in many years. Conditioning, determination, and the will to win were big factors in the winning of many games. The team's most outstanding victories came when they defeated Carrier Mills by 12 points, and when they gloriously won over Carmi 57-55 in a sudden death double overtime. Of course, the team had its ups and downs, but all in all, the squad was really great. The team could not have been a success without the capable guidance of our coach, Mr. Jones. He was always behind the team when their morale was at its lowest, and always something to say to pep the team up.

## Junior Varsity Basketball

THE CARDINAL JUNIOR VARSITY squad, piloted by Assistant Coach Charles Westphal, had a very good year. Experience was a help in winning many games, but drive determination, and a will to win was the factor that pulled the team through. The McLeansboro and Fairfield games were good examples of this. In the McLeansboro game the score was tied by Norris City with only seven seconds to go. Norris city then went on to win by five points in overtime. The Fairfield game was the last of the season and "chips were really down!" But once again determination and will to win paid off; when the final buzzer sounded, the team left the floor with a three-point victory. The Junior Varsity ended the season with an eighteen won and two lost record.

## Baseball

THE BASEBALL TEAM was coached by Coach Jones and Assistant Coach Westphal. In fall baseball the squad was very successful. They overpowered such teams as Mills Prairie, Enfield, and Crossville. Although the team only played three games in the fall, they showed great potential; with terrific batting power and expert pitching. The team lost last year's second baseman, two out-

fielders, a pitcher, and the catcher, but the vacant positions were quickly and easily filled. Competition was keen in the race for positions and everybody hustled or somebody else played. Several boys were "out for baseball" and all of them saw action in at least one game. The squad surpassed all expectations of its fans and proved beyond the shadow of a doubt that the team was as good or better than all previous ball clubs.
